Psychic Assessment

Are you new to spirituality or are you having trouble moving forward? The Psychic assessment uses a sixty plus item questionnaire, along with some testing, to assess one’s abilities.

Karma Clearing

Our 2 hour Karma Clearing deals with: determining where karma lies – in past lives, globally and/or universally; a facilitated session to look at one’s Akashic record for a specific incident of karma; a facilitated karma clearing session to clear disease, patterns in relationships, a life pattern, or a negative trait.
